COMMITTEE ON ASSASSINATIONS

REPORT ON THE ASSASSINATION OF

JOHN F. KENNEDY

EXECUTIVE SUMMARY

On the afternoon of November 22, 1963, President John F. Kennedy was assassinated while on a motorcade through the streets of Dallas, Texas. The assassin, Lee Harvey Oswald, was captured shortly after the shooting and is now being held in custody.

The Committee has conducted a thorough investigation of the assassination and has concluded that the following facts are established:

1. The assassin, Lee Harvey Oswald, was a single man, 24 years of age, who was born in New Orleans, Louisiana. He was a member of the Communist Party of the United States of America and was known to have been in contact with several individuals who were known to be active in the Communist movement in Dallas.

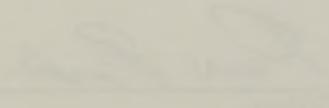

2. The assassin was seen in the company of several individuals who were known to be active in the Communist movement in Dallas, including a man known as Jack Ruby, who was seen with Oswald on the afternoon of the assassination.

11-22-63	November 22, 1963
11-23-63	November 23, 1963
11-24-63	November 24, 1963
11-25-63	November 25, 1963

It is the Committee's conclusion that the assassination of President John F. Kennedy was a premeditated act and that the assassin, Lee Harvey Oswald, was acting alone.

It is the Committee's recommendation that the following steps be taken:

1. The assassin, Lee Harvey Oswald, should be held in custody and should be tried for the assassination of President John F. Kennedy.

Chairman

It is the Committee's conclusion that the assassination of President John F. Kennedy was a premeditated act and that the assassin, Lee Harvey Oswald, was acting alone.

It is the Committee's recommendation that the following steps be taken:
